

The Most Comprehensive Healthcare Contract Lifecycle Management

About Us

Powered by Hall Render, the nation's largest healthcare law firm, Ntracts delivers a comprehensive contract management solution through a unique combination of healthcare, technical, and legal expertise matched with user-driven online contract management software that mitigates compliance risk, achieves cost savings, improves efficiency, and ensures our clients stay in front of changing regulations.

Key Features

Workflow Automation

Draft Document Generation

Integrated Electronic Signature

Cost Effective

Why Ntracts?

Compliance

Insights from Hall Render's healthcare attorneys, who stay on top of always changing compliance regulations and have deep/unique knowledge of relevant case law.

ROI

Trust your investment knowing studies have shown up to a 38% increase in contracting speed, alongside gains in document turnaround and contract visibility.

Visibility

Complete contract management solution in one centralized platform provides an accurate and comprehensive view of all contracts across the organization.

Efficiency

Process the ever-increasing volume of contracts without additional license fees and, in many cases, the hiring of additional staff to help manage the taxing workload.
