Aggressive financing with the **Supercharger program** to acquire the Philips Ultrasound equipment you need

**Utilize this limited-time promotion from Philips Medical Capital (PMC) to tailor a financing solution for your Ultrasound goals**

Through June 30, 2024, you may be eligible to take advantage of a special financing program, the Supercharger promotion, to help you acquire the latest in Philips ultrasound technology. This program makes financing with Philips Medical Capital easier than ever, offering special rates or other financing options designed to support your facility's goals.

Reach out to your local Philips Medical Capital sales representative to learn more about Supercharger promotion and discuss how financing can help you during your acquisition process.
